

Maths

In Maths we will be developing our place value skills using practical activities. We will solve problems using numbers up to 100.

English

In English we will be looking at the different characteristics of superheroes. We will use Big Hero Six to develop our storytelling and description skills. In reading we are focusing on our comprehension skills.

Design Technology

In DT the children will have the opportunity to build in the blocks area and to design and create items for superheroes.

Science

In science we will be conducting different experiments linking to superheroes. We will be testing different surfaces for superhero vehicles and testing materials to create our own superhero capes.

P.E.

In P.E we are developing our ball skills by learning how to play hockey and create our own throwing and catching games.

Year Two Curriculum Map Superheroes

French

In French the children will develop basic skills: counting, colours and greetings.

In art we will be developing our brush techniques by creating Superhero logos.

PSHE

In PSHE we are focusing on friendship and relationships.

Computing

In year 2 we encourage the children to use ICT within a range of subjects.

Music

In Music we are exploring different sounds using voice and instruments.

History

In History we will begin to explore real life superheroes with a focus on Harriet Tubman who saved many people's lives.

Geography

In Geography we are looking at world maps and identifying countries, continents and oceans.
