

Maths

In Maths we will be beginning to use multiplication and division we will also start to explore statistics.

English

In English we will be writing New Year's Eve poems using T4W. We will retell a Chinese New Year's story using T4W. We will also create a fact book about how people celebrate New Year around the world.

Design Technology

In DT we will design a hat for a New Year's Party. We will also make Chinese dragons, Chinese New Year animal masks, and lanterns.

Science

In Science we will be gathering and recording data to help us answer questions about festivals and celebrations.

P.E In P.E we will be exploring Dance and learning new dancing skills. We will also start to get ready for the Castle Hill games.

Year Two Curriculum Map Celebrations New Year & Chinese Year

PSHE In PSHE we will also be thinking about New Year resolutions and how to try hard in a New Year. We will also be exploring hygiene and how to take care of ourselves.

Art
In Art we will paint our hats in for our New Year Party. We will create firework chalk pictures and Chinese New Year art work.

Computing

In computing we will be starting to explore computer programming.

Music In Music we will be focusing on 'Dynamics' based around Haydn's Concerto in E flat; a popular choice of music to announce the arrival of New Year. Later in the term we will use this knowledge to add our own dynamics to a Chinese New Year composition.

History (1)

In History we will be exploring how festivals and celebrations started.

Geography
In Geography we will explore how New Year is celebrated around the world. We will be looking at the countries celebrations originated.

Start topic 8/1/2018 have a parcel with different bits for New Years Eve. Poppers, firework box, 2018 glasses and CD with Best songs of 2017.
